

Volunteer of the Month

MAY 2019, TRAIL BUILDING WITH AILI!

Watch the video below to hear her take on the @vamosoutdoorsproject and what led her to begin volunteering. Find her on Instagram at @eye_lee_smiley or out on the trails tearing it up!

We love our volunteers and all who support us and our programs. You help us support Latinx and ELL students in our local outdoors environment; learning awesome skills, and just generally having a blast!

Thanks to everyone who has volunteered with us!
